We Will Pay 4% of

An Invoice

To A Charity

Details Inside

Our Plan:

Dear Client:

All of us at Pickett Plumbing appreciate the opportunity to be of service. We thank you for trusting us to solve your plumbing issues. If you have any questions or problems with the work we have done for you today, do not hesitate to call us.

If you are happy with our services maybe you can help us. If you are not happy, be sure to let us know so we have another opportunity to "make you smile".

Can you get your friends, family or neighbors (hereafter referred to as FFN) to call us when they need plumbing service? Here's a plan we have come up with to get new customers and help the community at the same time. A Win-Win plan.

Instead of us paying to advertise to get new customers, why don't we make a donation to a charity in return for your referral? We have selected over five charities for this program. To the right is a referral form for you to pass on to your FFN. Fill in your information, check one of the charities, give the form to them and ask your FFN to call us when they need our services. They can give the form to our plumber. In return, we will donate 4% of their **first*** invoice total to your selected charity. We'll even let you know when we do this if you provide your e-mail address. Pretty simple, huh?

By the way, we do not sell, rent or give any of your personal information to any other person, firm or company. And we will not flood you with junk e-mail, only an occasional special or event notice...I promise.

Thanks, Walter Pickett
